You will need: Scissors and Glue

Instructions:
1. Cut out the 2 x pieces (be careful to include the tabs).
2. Find the 2 x tabs with the letter A on them. Fold them towards the inside of the building and cover in glue.
3. Stick the 2 x tabs with the letter A on them together.
4. Find the 2 x tabs with the letter B on them. Fold them towards the inside of the building and cover in glue.
5. Stick the 2 x tabs with the letter B on them together.
6. Hooray! You have your own miniature museum, when you take it home you can keep your own precious objects inside!
