

Hardy's Dorset

Hardy & Family

The Hardy gallery will show displays about Hardy's family who were very dear to him. There will be portraits of his family on display.

- Can you draw your own family portrait? Draw a person in their own frame, maybe include some objects next to them that say something about them, maybe what they like or what their interests are.
- On display in the gallery will be a scrap book, with samples of clothes belonging to Hardy's family, another way of remembering them other than a photograph.
- Does a member in your family like to wear anything that you recognise them for? Draw them and describe/label their outfit.
